

CCT adjusting detail

Description

Our DISC downlight is a lighting fixture designed to work with a 120V AC power source and is available in 15 watts. It is TRIAC dimmable and has 5CCT options. The DISC downlight is versatile in its installation options, 6" junction boxes and capable of replacing 6" surface mount downlights. It is also compatible with 5" and 6" downlight housings and can replace most 5" and 6" recessed downlights. This product is an excellent choice for various lighting applications in both residential and commercial settings.

Features

1. Good heat dissipation
2. Excellent thermal management to ensure long lifetime of LED
3. Selectable color temperature (2700K, 3000K, 3500K, 4000K, 5000K)
4. High color rendering
5. Triac dimmable

Applications

1. Hotel
2. Corridor
3. Home Decoration
4. Shopping Mall
5. Exhibition Room
