

WiFi iBox Controller

2.4GHz Wireless transmitting technology; Delicate design, tiny size; Advanced function, stable performance; Compatible with IOS and Android system.

Product Parameters

Product Name: WiFi iBox Controller

Model No.: iBox2

Input: DC5V/500mA

Communication Mode: WiFi IEEE 802.11b/g/n 2.4GHz

GW: 36g

Size: 3.56*2.59*0.59in.
