Lamp Type	GU10

Dimension:

Important Information:

- It is necessary to have a qualified electrician install and fit the luminaire in accordance with the latest wiring regulations.
- The luminaire can generate high temperatures during use, so it is important to take caution.
- Avoid mounting the luminaire in a location where it can be easily accessed by children or the general public.
- Never attempt to touch the fixture or replace the light bulb when the unit is on.
- Allow the fixture and light bulb to cool to ambient temperature before carrying out any maintenance.

Bulb used with this Fixture:

GU10 Glass LED Bulb:

- SKU: GU10-G-5W-COB-36D-2700K-DIM
GU10-G-5W-COB-36D-4000k-DIM
GU10-G-5W-COB-36D-6000K-DIM
- Wattage: 5W
- Input Voltage: 90-265V AC
- Color Temperature: 2700K, 4000k, 6000K
- Lumen Output: 368lm, 392lm, 411lm
- Warranty: 3 years

RGB+CCT GU10 Smart Bulb:

- SKU: MILI-GU10-4W-RGBCB
- Wattage: 4W
- Input Voltage: 100-240Vac
- Color Temperature: 2700-6500K
- Lumen Output: 250 - 280 lumens
- Warranty: 3 years
