

# Split J-Box LED Downlight – Wattage & CCT Tunable

## Description:

The innovative separable design of junction box and housing makes it more flexible. The split commercial downlight can fulfill a wide range of lighting needs. Easy-fit installation comes from adjustable spring-action housing clips. It is designed and engineered for new construction applications, which is suitable for commercial and public places and elegantly decorates the ambiance, such as shopping mall, hospital, airport, hotel lobby, etc.

## Features:

- Material: Aluminum haze trim with white trim ring
- Mounting: Recessed
- Simple Installation with spring-action housing clips
- Integrated J-Box for direct wire eliminated recessed can
- Perfect and economic solution for new construction applications.

## Applications:

Suitable for commercial and public places and elegantly decorates the ambiance, such as:

- Shopping malls
- Hospitals
- Airports
- Hotel lobbies
