

# 22" MODERN BRASS PATHWAY LIGHT - G4 LAMP

## DESCRIPTION:

This 22" Modern Brass Pathway Light constructed from durable die-cast brass with antique bronze finish. Designed for use with a G4 LED bulb (up to 50 watts, sold separately), this elegant fixture enhances pathways, walkways, and landscaped areas. Its frosted cylindrical glass lens provides gentle, diffused lighting, adding both functionality and style to any outdoor setting.

## FEATURES:

- Premium die-cast brass construction ensures durability and weather resistance.
- Antique Bronze finish adds a timeless, elegant touch to outdoor spaces.
- Frosted cylindrical glass lens for soft, diffused lighting.
- Includes a ground stake for secure and stable installation.
- Equipped with a 72-inch SPT-1W lead wire for convenient connection.

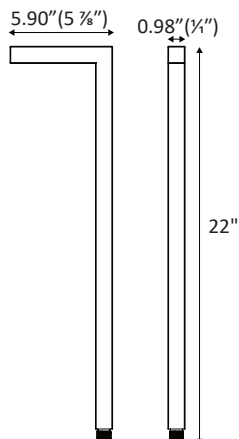

## APPLICATIONS:

- Pathway lighting
- Walkways
- Driveways
- Garden path illumination
- Landscape lighting
