Model	Type	Size
NUR-LT406	Brass Riser	7inch 12inch 18inch

BRASS T CONNECTOR - LANDSCAPE LIGHTING

- The Brass T Connector is a durable accessory designed for pathway and garden lighting. Made from solid brass, it allows you to mount two landscape light fixtures in opposite directions when paired with brass risers. Compatible with other landscape lighting accessories, it ensures secure and reliable outdoor installations for an enhanced lighting experience.
- SKU: NUR-LT410-BR-CONN-T

BRASS STRAIGHT CONNECTOR - LANDSCAPE LIGHTING

- The Brass Straight Connector is a high-quality accessory for pathway and garden lighting. Crafted from solid brass, it pairs with brass risers to provide the required elevation for optimal light placement. Designed for secure and durable mounting, it ensures reliable performance in outdoor landscape lighting installations.
- SKU: NUR-LT410-BR-CONN-I

BRASS ELBOW CONNECTOR - LANDSCAPE LIGHTING

- The Brass Elbow Connector is a durable solution for changing the direction of landscape lighting fixtures to a 90° angle. Designed for use with 1/2" NPT knuckle mounts, this rugged die-cast brass connector ensures reliable and secure mounting for various outdoor lighting applications.
- SKU: NUR-LT410-BR-CONN-L

PVC LANDSCAPE STAKE

- The PVC Landscape Stake is an essential accessory for securing uplights, path lights, floodlights, and other fixtures on lawns or gravel surfaces. Made from durable PVC, it features a 1/2" NPT threaded design, making it compatible with most landscape lighting fixtures. Available in various sizes, with or without cuts, this stake provides a strong and reliable mounting solution for your outdoor lighting needs.
- SKU: NUR-LT401D-STAKE-P

BRASS KNUCKLE MOUNT - SURFACE OR TREE MOUNT

- The Brass Knuckle Mount is designed for surface or tree mounting of landscape lighting fixtures. With a 2-3/4" diameter and a 1/2" knockout in the center, it fits standard 1/2 NPT knuckles. Standing 1-1/8" tall, this corrosion-resistant brass mount ensures secure installation on trees or flat surfaces, providing a reliable foundation for your lighting fixtures.
- SKU: NUR-LT402-BR-MNT PLT

STAKE BRASS COVER

- The Brass Stake Cover is designed to fit most light stands and stakes, providing a sleek finish that masks the color of the stake. Made from durable die-cast brass, it helps integrate the lighting fixture with the stake, creating a more harmonious and elegant landscape lighting appearance.
- SKU: NUR-LT401F-STAKE-BS-CVR
