

WIDE SHALLOW ALUMINUM CHANNEL

DESCRIPTION:

Our Wide Shallow Aluminum Channel is designed to enhance your LED strip lighting so with elegance and efficiency. This channel, available in 3.2 ft and 6.4 ft lengths, accommodates LED strip lights up to 0.47" wide. Its sleek design improves heat dissipation to prolong LED lifespan while the durable plastic diffuser ensures even, glare-free lighting. Ideal for various installations, this channel enhances the aesthetic and functionality of any space.

FEATURES:

- Sleek, professional design with clean, sharp lines
- Durable AL6063 aluminum construction for superior heat dissipation
- High-quality PC/PMMA diffuser provides soft, uniform lighting
- Screw-free, closed-fitting end caps for easy installation

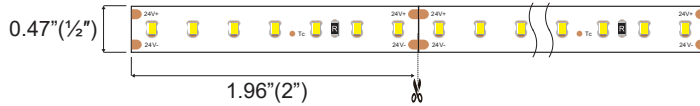

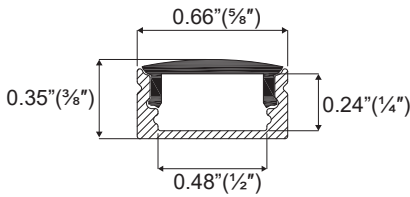

APPLICATIONS:

- Pendant and suspension lighting (ceilings)
- Recessed installations (floors or ceilings)
- Surface-mounted lighting (floors, ceilings, cabinets, showcases)
- Step and stair lighting
- Corner, contour, and furniture lighting
