

BRASS UP LIGHT ADJUSTABLE KNUCKLE MOUNT - FOR PAR36 AR111 LAMP

DESCRIPTION:

The Brass Up Light with Adjustable Knuckle Mount is a versatile outdoor lighting fixture designed for illuminating gardens, patios, flower beds, and driveways. Constructed with durable die-cast brass and finished in antique bronze, this weather-proof spotlight combines functionality with elegance. Its adjustable knuckle mount and LED compatibility ensure precision and energy efficiency, making it ideal for both residential and commercial landscapes.

FEATURES:

- Pre-stripped 72" lead wire for hassle-free wiring.
- Durable die-cast brass construction with weather-proof properties.
- Antique bronze finish for a timeless aesthetic.
- Adjustable knuckle mount for customizable light direction.
- Drop-in holder for easy lamp replacement.
- LED-ready design, compatible with PAR36 lamps (sold separately).

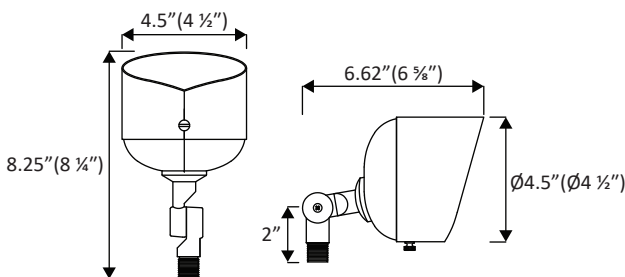

APPLICATIONS:

- Spotlights for gardens and flower beds.
- Architectural wall washing.
- Uplighting trees and landscaping elements.
- Pathway and driveway area lighting.
- Residential and commercial outdoor lighting.
